

ADELAIDE GRADUATE AWARD DEADLINES

What are the Award deadlines?

Complete the first Award tasks as early as possible in your degree, as they explain all the requirements and are designed to set you up to successfully complete the program by the final study period in your degree.

These tasks are:

- Complete 30-minute MyUni Orientation (via your [online Award Checklist](#))
- Submit Development Plan (short web form listing your extra-curricular activities)

Once the above tasks are complete, you have until the deadlines in your final study period to complete the 150 hours of extra-curricular activities and other Award tasks.

The below table lists the final deadlines that apply, **based on your final period of study in your degree.**

These deadlines remain the same each year, so if the final study period of your degree is Semester 1 2023, the final deadline to submit your 150 hours of extra-curricular activities would be 14 May 2023.
